ACTIVITIES

University foundation day

Independence day

Second year internship

University foundation day

The 4th Foundation day of the MIT-ADT University was celebrated in the World Peace Dome Philosopher St. Shri Dnyaneshwara Prayer Hall and Library on 11th August '19 in the presence of the distinguished guests & Luminaries from the Field of Science, Technology & Spirituality.

On this occasion, The Hon'ble Executive president of the MIT ADT University Prof. Dr. Mangesh T. Karad mentioned that MIT-ADT University being the first university from the MIT Group of Institutions has the special significance. It has evolved as a New Generation University and established connect with the society, industry and the policymakers. We need to think innovatively for designing the course pedagogy

Independence day

On the 73rd Independence Day Hon'ble Major General S.K. S. Mahajan hoisted the flag at MIT Art, Design and Technology University, Rajbag, Loni Kalbhor. Vice Chancellor of the University Hon'ble Dr. Sunil Rai , Hon'ble Registrar Shivsharan Mali, Principal of Maharashtra Academy of Naval Education and Training (MANET), Hon'ble Subodh Devgaonkar, Principal of School of Engineering Hon'ble Kishore Ravande , Principal of the College of Food Technology. Hon'ble Dr. Vasant Pawar, Sports Director Hon'ble Padmakar Phad, Rajneesh Kaur Sachdev, Ramakant Kaple, Aswari Bhawe were also present. Major General S.S. Mahajan greeted the students who attended the flag-raising ceremony and wished them Happy Independence Day. Meanwhile students of MIT Vishwashanti Gurukul performed dances on various patriotic songs. Patriotic songs were presented by students at MIT Sangeet Kal Academy.

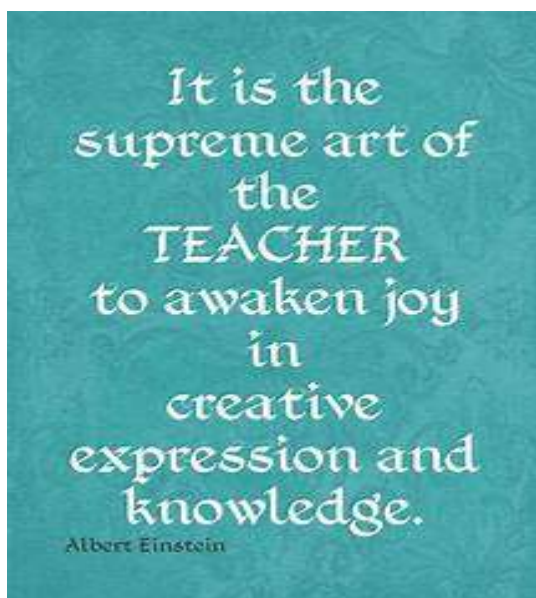

Second year internship

Teacher trainees will undergo rigorous 4 months intership in school/junior colleges. Internship aims at providing teachers with experience as a teacher so that it is easy for them when they become full fledged teachers. During intership teacher trainees work closely with school teachers to learn the functioning of school, maintenance of records, implement new trends in teaching- learning process and learn ethics of teaching profession.

The programme intends to provide learners an insight into understanding principles and processes of education and developing skills required for teaching.

Mission

The mission of MITSOE & R is to empower teachers and trainees to be effective, reflective and inquiring transformative practitioners by integrating the art and science of teaching-learning, efficient use of technology and constructive feedback mechanism.

- We intend to create compassionate, committed, confident and competent practitioners through exposure to myriads of scholastic, co-scholastics activities, values added workshops and courses fostering enterprise and employability.
- We provide a platform to the scholars in quest of knowledge through professional development qualifications with the help of our international courses to meet the challenges of 21st century.
